

II. Get Info

A. Location of Ozone

- Click on the "Aeronomy Lab" site.
- Scroll down to the graphic "Regions of the Atmosphere."
- Read the information, interpret the picture, and answer the following question:

1. Where is the ozone layer?

- Click "Back" to return to the Ozone "Get Info" web page.

A. Ozone Loss

- Click on the "Ozone Depletion" site.
- Read the page and answer the following questions:

1. What does CFC stand for?

2. What were CFCs used for?

3. What are three chemical properties of CFCs?

4. What specific atom of the CFC molecule damages ozone?

- Click "Back" to return to the NOAA Research "Ozone" home page, or choose "Ozone" from your Favorites or Bookmarks.
- Click "Gather Data."
